Forecast For London & Southeast England
Issued by Met Office Exeter
at 0400 on Thursday 27 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A dry, bright and sunny day.

Today:
A bright and sunny day across the region. Some fair weather cloud developing during the afternoon but still feeling warmer than recent days with light winds. Maximum temperature 22 deg C (72 deg F).

Tonight:
A dry night with clear skies across the region. Risk of fog patches forming overnight and slowly clearing after dawn. Minimum temperature 9 deg C (48 deg F).

Friday:
A bright morning once any fog clears with hazy sunshine. Some cloud bubbling up during the afternoon with a chance of a shower. Feeling warm with strong sunshine. Maximum temperature 21 deg C (70 deg F).

Outlook for Saturday to Monday:
A hot and sunny weekend, possibly cloudy along south east coasts from Sunday. Some of this cloud moving inland Sunday night with foggy conditions. Very warm throughout with strong sunshine.
